## UNICORN HEAD BANK

### MATERIALS

- Unicorn Head Bank DB38282
  - Sponge
  - No. 6 Round Brush
  - No. 1 Short Liner Brush
- CMM31 - Licorice
- CMM7 - Blush
- CMM57 - Squash Blossom
- CMM76 - Lemon Mist
- CMM14 - Gum Drop
- CMM91 - Blue Ice
- CMM101 - Fresh Heather
- CMM19 - Banana Boat
- CMM67 - Snowflake

### TIPS

- For best results, start at the top of the unicorn's head with the Blush color and work your way down the mane in rainbow order.
- When watering the glaze to a milky consistency, use an appropriate ratio of one part glaze to one part water. If you add too much glaze, the color will not move enough for a watercolor effect. If you add too much water, the color will be very light.

## INSTRUCTIONS

Before you begin, wipe a damp sponge over entire bisque to remove dust and contaminants.

1. Paint 1 thick coat of Blush to Squash Blossom to Lemon Mist to Gum Drop to Blue Ice to Fresh Heather on the mane.

2. When the color has lost its shine, take a slightly damp sponge and gently wipe the glaze off the bisque. You want to wipe lightly, removing the color from just the raised parts of the texture. This will leave the color in just the cracks, giving it an antiqued look. For best results, continually rinse your sponge in your water bowl while you wipe, as needed, and squeeze out the water well so it doesn't drip onto your pottery.

3. Paint 1 watery coat of each color over its antiqued section of the mane. Let dry before moving on to each section.

4. Paint 2-3 coats of Banana Boat on the horn.

5. Use Licorice to paint the eyes and eyelashes. Let dry completely.

6. Use Snowflake to paint the eye shine.

7. You're done! Color Me Mine will take care of clear glazing and firing your masterpiece.
