DIY POTTERY VALENTINES

These do-it-yourself pottery valentines are very easy to create!

MATERIALS

#4 Round
#1 Long Liner
#10/0 Liner
Round Sponge
Pencil
Water-Based Marker
Tissue Paper

PAINTING INSTRUCTIONS

- Wipe a damp sponge over the surface of the pottery to remove dust and contaminants.
- Choose the woodland creature you like best. Trace the pattern onto the tissue paper with a pencil.
- Place the tissue paper over the plate and trace over the pencil lines with a dark water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
- Paint 3 coats of each color on the animal.
- Using the back of a paint brush like a stamp, make Cotton Tail dots on the same side of the eyes for eye shine.
- With a liner brush, carefully trace over the lettering and outline parts as needed with Tuxedo.
